Kitten Name: _____

All Money is Non-Refundable.

1.) Feline parents: _____ Color: _____ Sex: _____

2.) Under no conditions will this feline be sold to any pet shop or research laboratory.

3.) If buyer at anytime decides to sell feline, seller has first choice.

4.) Indoor sanitary conditions will be provided, and feline will not be allowed to roam outdoors.

5.) If feline is found to be neglected for any unreasonable length of time, buyer agrees to surrender feline unconditionally.

6.) Seller will provide buyer with record of feline vet health checkup.

7.) Seller will provide buyer with feline registration papers, and rabies certificate if applicable.

8.) Seller guarantees the health quality of this feline against fatal genetic defects for a period of 2 years. Feline will be replaced with a comparable kitten if documented proof is provided by a licensed veterinarian.

9.) Buyer agrees to follow up with the vaccinations shown in health record.

10.) Seller assumes no responsibility or liability of the feline after leaving premises of the cattery due to landlord's disapproval, vet medical expenses, mortality due to negligence, accidents, feline injections, allergy to animal, or for damages caused by this feline.

11.) Breeder cannot possibly give any guarantee of the final appearance, nor of the adult disposition, nor guarantee the nature of breeding and producing offspring.

12.) Seller and seller's veterinarian warrants that feline is in good health. Buyer is encouraged to have feline examined at their option and sole expense by a licensed veterinarian within 72 hours of pick-up. This should be done if buyer wants peace of mind concerning the feline's condition. If within the 72hr period, such veterinarian's examination reveals a serious illness, then buyer must provide proof from a licensed veterinarian to seller within 24hrs.

13.) Buyer agrees there are common infections cats are often subject to suffer such as FIV, FELV, and FIP. Seller will give health guarantee to buyer from seller's veterinarian showing feline is in optimum condition at time of pick-up or transport. Buyer agrees that it is their responsibility to continue vaccines with a licensed veterinarian until vaccines are no longer needed. Seller will not be held responsible for ringworm or any type of common feline infections known to affect cats, once the feline is picked up or transported.

14.) Buyer agrees to have the kitten known as _____ spayed/neutered by _____ . x _____
